

TA-HOE NALU Elite Men's SUP Race

For the men's event, five elimination rounds were run. After the each round the group was reduced down to the top 24 athletes, then 18, then 12, and finally, the top six athletes. The results present the combined points for the 10-Mile and the Elimination rounds for the athletes that made the final two elimination rounds only. All tie breakers were given to the athlete with the fastest 10-Mile time.
